January 26' Prayer Letter

Dear Faithful Supporters and Followers,

We made it to a new year. As I reflect on the previous year, considering the wonderful provisions of our Lord, the increasing deterioration of society worldwide, and the reality that He has not yet returned, I cannot help but think that God is "longsuffering to us-ward, not willing that any should perish, but that all should come to repentance." Many have already made up their minds concerning Christ, but I am fully persuaded that there remains multitudes of lost souls that are ripe for salvation. Let us determine this year to stay the course with what is of primary importance - the winning of souls.

2025 was a year marked with incredible feats for our family, having traveled as a family of six more than **40,000 miles** (earth=24,901), to **14 states** (not including thru travel), presenting in roughly **60 churches**, increasing our support to **55%**. Additionally, we have secured nearly **40%** of our Tri-Star **startup fund of \$20,000**. Through times of trials and testing, highs and lows, we have grown personally in the grace and knowledge of our Lord and Saviour, Jesus Christ while discovering His grace to be entirely sufficient.

Our highest prayer for this year, is that God would allow us to see more souls saved and called to ministry through our deputation ministry. Secondly, we pray that we reach full support for a grand opening in the fall. With a calendar nearly full for the year, would you pray that pastors and churches would find grace and favor in our family, and more importantly, that they would see the need for laborers in America, and for us, Nashville, TN. We remain committed and kindly ask that you do the same!
