"Continue in prayer, and watch in the same with thanksgiving;" Col 4:2

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

We put on about 15,000 miles since May. We spent time in Buffalo, NY, Cincinnati, OH, Knoxville and Gallatin, TN this month. We were able to spend time with family and friends, as well as make new friends. We presented our ministry in (5) churches this month, (3) of them are new to us and, so far one has agreed to partner with us monthly. God is so Good!! Please pray will share in (6) churches in August. (4) are new to us. We are at 86% support level and praying for God to provide the last 14% through new church partners. We will travel about 5,000 miles in August as well. Please pray for safety.

Grace Christian School is currently involved in District sports competitions. 2 of our teams won the local tournaments and are moving on to the next level. The picture to the left shows them celebrating the wins. 2 weeks ago 3 of our secondary students put their faith in Jesus Christ as personal Lord and Savior. We are blessed that the work is continuing while we are on furlough.

Our sending church, Bible Baptist in Hendersonville, TN sent a group of teens to camp in Ringgold, Louisiana. Our 3 boys really enjoyed the week of camp at Southland Camp. They had a lot of fun and made some spiritual decisions.

We have seen God answer prayers while in Uganda and while here in the US. John had an eye injury 8 years ago that gave him a cataract with 95% blockage, God answered our prayers and he had surgery to repair the damage. Fast forward 8 years and John's eye began clouding over in April and was back to 95% blockage by July when God led us to a Christian Ophthalmologist in Ohio that did Laser correction at no charge and gave John his sight back. God is so good to us.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
