May 2025

"Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men" Ps 107:8

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

We have started traveling! We are so thankful to get to see our supporting churches. We were able to travel to Virginia and Maryland to see (2) churches that have been supporting our family and ministry for 14 years. It is great to see dear friends and spend time with their families. Here is a comparison of 2011 on the right and 2025 on the left.

One of the special times in our lives is when our children graduate.

We planned our furlough this year so that we could be here for Jocelyn as she graduated with a BS in Nursing from Pensacola Christian College. She is now preparing to take her State Boards and was recruited to work at the university of Tennessee Medical Center in Knoxville. She starts next month. We are so proud of her and this great accomplishment in her life. Please pray for her as she

prepares to move to a new city. God also in His perfect timing allowed James (JT) to complete 12th grade this year. We are blessed to be here to celebrate his graduation this Saturday from Aaron Academy. He has been accepted into the Computer Science program at Pensacola Christian College and begins this fall. Life has a way of continuing to move forward. Our children were young when we moved to Uganda and we had (6) of them with us. Now we have (5) High School graduates and (2) college graduates and (2) currently enrolled in college and (2) still in High School that will travel back to Uganda with us. Please pray for us as we adjust as well as our children as they grow and go and serve the Lord on their own.

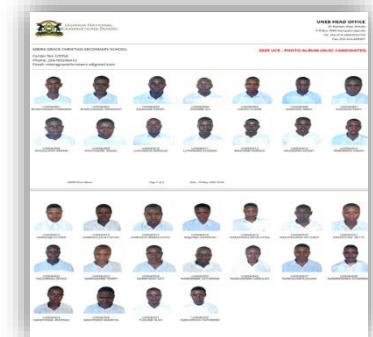

Please pray for
There always
to flat tires and
praise God that
churches this
travel. We
are keeping us

us as we travel many miles this furlough. seems to be bumps in the road that lead long days and even malaria relapses. We we get to go and meet with almost 40 furlough. But we need prayer as we appreciate all of you prayer warriors that before the Father.

Please continue to pray for all of our students. Especially our P7 and S4 Candidates as they prepare for their big exams in October. Our S4's are now fully registered and qualified to take the exam. Let's pray for God to receive glory by their results.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
