

Dear pastors and praying friends,

We had a wonderful last few weeks, and I know that you are going to be thrilled to learn how the Lord is changing lives here in Santiago, Chile

### 2nd Anniversary Service

We celebrated 2 years as a church on March 22, and had 2 baptisms as well. Jessabell, on of the 2 who were baptized, was saved at our church in December, and despite some tough setbacks since then, has been growing in her walk with the Lord. Arnaldo has been saved about 5 years, but had never made the decision to get baptized, but was finally ready to obey. Praise the Lord!

We looked back and saw that, since the last anniversary, the Lord allowed us to see 9 people saved, 4 people baptized, start supporting a third missionary family, and hand out well over 10,000 tracts (probably closer to 15,000)

We had 54 people in attendance, with several visiting families. Daniel (who recently was saved as you may remember) is married to Viyannis who told us when she first got to the church that she was very shy and would not be good at sharing the gospel. However, she brought a friend she met through her son's elementary school. We don't have to be "able," we just need to be obedient. God will do the rest.

### Building update

After some more set backs on our paperwork (to the surprise of absolutely no one haha) I believe things are finally in place, and we are just waiting on 2 documents to confirm the sale. One will be ready in June (ish) and the other in April. This means that we need the remaining 10,000 dollars by then. Please pray with us about this! We are so close to having the cash for the building (then of course we'll need to renovate it) but we still lack a little. Several generous churches gave this past month, and we are so thankful for all of them! THANK YOU!

If you would like to donate to help with our building, you can send a donation to:

**Vision Baptist Missions P .O. Box 647 Dawsonville, GA 30534 Attn: Shreve Building Fund**

*(Please make all checks payable to Vision Baptist Missions and include "Shreve Building Fund" in the memo.)*

This is phase 1 of a two-part plan. The second part is converting the house into a church, but right now our main focus is raising the remaining amount to buy the property outright. Please pray for the Lord to provide this soon and to open doors for it!

### Leader training

You may remember that Alfredo is a young man training for full time ministry at the church. He is doing well in seminary, and has been preaching 5 minute messages on Sunday night at church. He recently got bumped up to 10 minutes, and it was the best message I've ever heard him preach. Please pray for his continued spiritual and ministerial development!

### Other prayer requests

Thank you so much for how you have been praying and supporting us. God is using you to help a church be started in Padre Hurtado, Santiago Chile. I'll close asking you to pray for our paperwork situation. Everything is turned in, and we should have good news next June/July. Please pray for that, as we are at the last step of the journey, Lord willing.

In Christ ,

Kyle, Hannah, Isabella, Isaiah, Isla, Shreve
