Prayer letter from January to March 2026

Dear Pastor and Church Family,

Greetings in Christ Jesus to you all, from my family and me. I would like to extend my sincere gratitude to you all, for your unyielding prayer support and for being a co-laborer in Christ. The Lord has been always faithful in fulfilling His promises and has been continually making channels of blessing for the gospel in spite of many challenges in a country like India. I would like to bring to your attention that there are minor modifications in my prayer letters, as observed, due to my current inability to access my computer.

Moving forward, in January, I travelled to US to attend mission conferences in different states organized by HELP MINISTRIES. This trip is set to span for three months, allowing me to immerse myself in various churches. During this trip I have had incredible opportunity to participate in mission conferences speaking of several ongoing issues in my country and the ministry as well. Each conference has been a unique experience, filled with an inspiring messages, and a change to connect with like minded individuals who share a passion for spreading the gospel.

Moreover, I had an opportunity to witness the gospel with some individuals who have yet to hear during this trip.

We praise God for the growth of the ministry and as the ministry gets bigger the Lord has appointed three more missionaries into the ministry field for greater impact in the community, and effective church planting.

On March 7th, one of my coworkers, bro. Nazarin, got married. Approximately 1200 attended the ceremony, the majority of whom are Hindus from the local villages. We thank God for the opportunity to witness the gospel and show them how Christian waddings are conducted.

Prayer Request: 1. Mission House 2. Permanent church building 3. Support for newly appointed Missionaries.

Thank you for your invaluable partnership in the great commission. Your commitment to praying, giving, and standing with this ministry is not just support it is a vital kingdom investment that enables the Gospel to advance and lives to be transformed. I also want to express my deepest gratitude for the unwavering support and essential role that **HELP MINISTRIES** has played in the ministry's mission.

With love
