100 W. School Street  
King 27021  
NC

**AUGUST TO NOVEMBER 2022**

**Dear Praying Friends and Churches,**

It is the end of the year, and we wish you all Happy Thanksgiving and Merry Christmas, and Happy New Year in advance. Thank you so much for partnering with us to spread the Gospel of Christ in our country, and among our people.

The Lord has used you for our family, and every penny that you have given to us for the furtherance of the Gospel here in Nigeria. On behalf of my family, we say thank you all. Your financial and prayer support has kept us going for the Lord here in our country.

**Family.**

My family is doing great, we praise the Lord. My wife recently celebrated her 40th birthday on 15th November 2022, and she has gone through so many challenges over the past three years, and we praise the Lord for sustaining her and keeping her. My kids are doing well in school, and they are also active in our ministry activities too.

**Church Ministry.**

The ministry has been going great, the Lord has been blessing us greatly in the church, and we have seen those who believed Christ as their Savior. We have little result because people here

are dull of hearing because of the adulterated salvation by works that many people have believed, many people find it difficult to unlearn the lies that they have believed for centuries, and those that do understand the simplicity of the Gospel, believed, and stayed in the church.

The church is growing little by little, and we praise the Lord for that. We have difficulty getting people to attend other services of the church, and that is one of the areas in which our people need adjustment.

### **New Church Plant(Fellowship Baptist Church Ijare)**

The Lord has provided for our church plant foundation through one of our supporting churches, and we have started the foundation of the church, and we are trusting the Lord for the provision to continue the work of the building, and according to the estimate, it will cost us \$15,000 to finish up the whole building. Please continue to pray for us for this project, and we trust the Lord to provide this for us.

### **Bible Yoruba Audio Project.**

One of my goals is to provide an audio Bible in our own local language to people in our villages who cannot read and write. I have a friend who is well-versed in our language who does the reading, and I am in charge of editing the language. We have been able to complete the NT, and we are looking forward to starting the Old Testament soon. Please continue to pray for us.

### **Radio Ministry**

One of the best ways to reach people is through the radio, and we have been able to reach so many people in the local areas through our radio ministry, and we have a serious need in this area.

We started this ministry through the support of friends and family, and recently people have not been responding to support this work. We have seen many people believe in Christ as a result of this ministry. Every quarter we need \$500 for this project. Please continue to pray for this need. And there is another opportunity to preach on television, and the director has asked me to pay a discount of \$750 for a quarter, and we are just trusting the Lord for the means to be able to do so.

We are trusting the Lord to help us do more for him this coming new year than the previous years, and also our church will be celebrating 5th Church anniversary on the first Sunday of March.

### **Church Bus**

We have been trusting the Lord for a church bus for the past three years, and one of the reasons for this is because of our new church plant, and also soul-winning in many remote areas. And it will help many people come to church who cannot afford to because of the distance. Please pray along with us on this request.

Our goal and vision is to start another church in this coming year, and we have two of our preachers who will be graduating from the seminary next year.

### **Prayer Requests:**

1. *Pray for wisdom, the power of God, our safety, and Good health*
2. *Pray for my wife for strength, and also my kids*
3. *Pray for a van for the church that can be used to bring people to church and also for soul winning*
4. *Pray for Pius, Godwin, John, and Seyi to finish their Bible College, and support these men.*
5. *Pray along for other church projects that we have like church fence and outside painting*
6. *Pray for the provision of the new church plant*
7. *Pray for more laborers into the harvest.*

Thank you so much for your prayers.

Co-laborer in the Gospel,

Abraham Adeyemi.
