December 25'Prayer Letter

Dear Faithful Supporters and Followers,

It is hard to believe the New Year is upon us. As we enter the Christmas season, let's remember that Christ is to be at the center of it all. I remember as a child visiting church on Christmas and Easter only. To my remembrance, I recall being wonderfully entertained, but I cannot recall hearing about my sinful condition and need of a savior. Let's strive to reach each and every visitor with a clear presentation of the gospel.

Please continue to pray for our deputation ministry. In recent days, I have experienced what I would call valleys of despair. By all human measures, what we are endeavoring to do is impossible, but with God all things are possible. I am thankful for men of God in my life who are readily there to encourage me to stay the course. They have reminded me that the fertile grounds are in the valleys and that God is preparing us for a great work.

I am excited about a Sunday School curriculum I am working on. This curriculum will cover foundational topics from A-Z designed for new believers (A-assurance, B-baptism, C-church membership...). Would you pray for this? Also, pray that God would continue to reveal the need for church planting in America to Pastors nation wide.
