Update from the Arold Family

Your Missionaries in Thailand Since 2008

September 2026

Friends,

Thank you so much for taking the time to read this update. God has been blessing us here in Thailand, and much of that is due to your prayers. We just took a short trip to the U.S. for our kids to go to Youth Conference. We were able to visit a few churches while there. Please pray for a huge unspoken prayer request regarding our building.

The month of July has been amazing, although we missed two weeks due to our travels. A new football team with 30 members came before we left, and we were able to lead them to the Lord and baptize them. They have been faithful ever since, and we believe we can reach many more football players through this team.

Our school ministry is doing well. We are averaging 10-20 schools per week some weeks and are praying for more resources to do more. Our goal is to reach every child in Thailand. The children are the next generation, and the schools are a wide-open door to our reaching them.

Thank you for praying for us. Our church has been averaging right around 140 every week, and we are praying to reach 200 by the end of the year.

May God bless you!

Eddie Arold
