

Dear pastors and praying friends,

I will forego an extended intro in the name of fitting as much exciting info into this prayer letter. Suffice it to say that we are thankful and grateful for each of you and your prayers for us.

Salvation! (and some on the way)

Susana is 75 years old and was raised Catholic. She had spent varying amounts of time with the Mormons, Jehovah's Witnesses, and Pentecostals, but in all that, had never had anyone show her from the Bible how to be saved. She has been attending our church for about 3 months, and on a recent visit, Alfredo and I were able to lead her to the Lord, and she received Christ. The biggest win is obviously that she was born again, but another large win is that Alfredo, who is training for ministry, was able to see the process of leading someone to Christ firsthand.

Susana, Alfredo, and I

Veronica has been attending our church about 2 months, and while she was converted about 2 1/2 years ago, she is the only one in her family. Her husband, Gabriel, and her two sons, Camilo (15) and Benjamin (10), are not saved. Gabriel has not shown too much interest in spiritual things (though he is friendly when we visit). Camilo is very open to the gospel and the Bible. We are in the process of starting a discipleship with him, so please pray for his salvation!

Hannah has been meeting with Ana, the sister-in-law of a man who attends the church, and she is also not saved. She is making progress and understanding that she is a sinner, but please keep praying for the Lord to work in her life. It's exciting to see the Word bringing her closer to salvation.

Building Update

We have the money for the building in hand, but now we need to remodel because the house is not ready to be a church building yet. Several walls need to come down, support beams installed, and the fuse box relocated, as well as LOTS of paint—the main structure is violent fuchsia inside, for example. We need about \$25,000 for this project, so please pray for that process and the Lord's provision. We need another \$6,000 as a down payment for the construction crew to start working, so that is a rather urgent need as well.

If you would like to give and help toward the construction costs, you can send an offering to:

Vision Baptist Missions P.O. Box 647 Dawsonville, GA 30534 Attn: Grace Building - Kyle Shreve

(Please make all checks payable to Vision Baptist Missions and include "Grace Building - Kyle Shreve" in the memo.)

Leader Training

Both Alfredo and Marcos are making progress and growth in their preparation for service and ministry. Alfredo is in Bible college and is just over halfway through. He is preaching 10-minute messages on Sunday nights, as well as helping in other areas. Marcos is also beginning to teach and preach and just preached his first 5-minute offering devotion (that he wrote). He is also wanting to get more involved in discipleship and other pastoral services and roles. Please pray for both these men as God continues to work in and through them.

Yours in Christ

Kyle, Hannah, Isabella, Isaiah, Isla, Shreve
