## Prayer letters from July to September - 2024

28th September 2024.

Dear Pastors, Churches, and Friends,

**Greetings from Tripura (India)! I pray that this letter finds you healthy and blessed.**

Thank you for your faithfulness in praying for our family as we serve here in India. Your prayers have been greatly needed and appreciated. These past three months have been filled with challenges and blessings. As for my family, we are all safe and healthy. God is so good we have celebrated my first son Kross's 4<sup>th</sup> birthday. There were I got the opportunity to shear the gospel both to the believers and unbelievers (Hindu). There was a miracle for ten days consistently wind storms but the day we celebrated birthday the loving God stopped the heavy rain till the programmed ended. All people were amazed by seeing that.

So, this ways God is using us to reach out the love of God to the Hindu friends. Everyday God is using and edifying to the church. Please continue pray for India. the present situation is going worst, we don't know what will happen tomorrow. There is always fight between minority religious vs majority religious where I serve right now also very difficult to take picture to give you evidence in the work. **Thanks to HELP MINISTRY for contently prayer supports and brought me up to this level and making me to reach out to you as a Partnership in the field.** We press on toward the goal to win the prize of the high calling of God in Christ until He comes!
