Church Planting in Charleville-Mézières, France

May-June 2026

Dear Supporting Friends,

Hello from France, where we are caught up in our second heat wave of the summer. It turns into a bigger deal than you would think when there is no A/C available at home or at church. But God is good, and the ministry is moving forward.

God has used many of you to pray for Jean's salvation, the Haitian man who has been visiting our church since the fall. Not too long after my last letter, he accepted Christ as his Savior! It was a wonderful moment because He did it in the presence of his 8-year-old son, James. Of course, James and his sisters are in Janice's class, and she is sharing the truth of the Gospel with them every week. Please pray for Jean's spiritual growth and understanding.

Antoine is a young man from Lyon who moved to our area to work at a Hermès factory (a high-end luxury brand). He found our basketball team's website and showed up one day to practice. Recently, he came to a game I was coaching, and I had the opportunity to speak with him about spiritual things. He seemed fairly open and was willing to meet again to talk. So one evening before practice, I opened the Bible with him and shared the Gospel. He was raised Catholic, but as is often seen here, had never read the Bible. He is, however, conscious of his sin, which is a great start. Please pray that he will want to continue exploring the Scriptures and that the Holy Spirit would open Antoine's heart.

**Kara's Graduation**

**Antoine**

Our daughter, Kara, recently graduated from college as valedictorian of her class with a degree in Church Ministries. We are very proud of her and of the hard work she put into her studies. She is currently on staff as office administrator at her local church and is being used by the Lord.

Please pray for us as we gear up for camp in July! We are praying for a fruitful summer.

In Christ,

*Danny Flowers*
