**NOVEMBER** In the month of November, the chaotic situation in our politics continued due to corruption, and protests on the streets erupted on all sides. And also during this month we were struck by a signal number 5 typhoon. Nevertheless, despite all these things, the goodness and blessings of God still prevail in our lives and ministries.

Aside from our regular Church Ministries and Activities, The highlight of November was the visit of Maam Ludy Harbaugh. Maam Ludy is from Florida and is a member of one of my supporting Church. Although her visit was cut short by the typhoon but I truly believe that it was a big blessing not only for her but specially for us She was able to attend and share her testimony in our Thursday Prayer Meeting Service in one of our Mission Work in the Mountain. It was well attended and she experienced the one of a kind Filipino hospitality The whole day of Friday.

This month of November also, I was able to join Pastor JB Tarwater and the BEAMS ministry in distributing Bibles to the Local Pastors in Caloocan area in Manila. The Host Pastor is my friend since Bible College. Around 40 pastors were present, they were excited and eager for the Bibles. pastor JB gave the challenge. I am really happy to get associated with Pastor JB and the BEAMS ministry.

She got to see and visit several of our Adopted local missionaries around Bataan, we gave them a sack of rice and a box of Bible and she was able to chat and pray for them. Saturday, although the strong typhoon was approaching, we still manage to hold a Ladies Fellowship, maam Ludy was the main speaker. it was attended by around 100 ladies. It was really full of fun and sweet fellowship. The ladies were encouraged and challenged by the message. Sunday, early in the morning i hurriedly drive her back to Manila for her not to get stranded in Bataan because our province will be hit by a signal number 5 typhoon.

## DECEMBER

Month of December is the merriest month here in the Philippines. Christmas is very BIG here, the whole month was a celebration of Christmas. And this time is extra special because my daughter who is working in the middle east as a nurse, went back home for 40 days vacation. So for the first time in about 7 years we will celebrate Christmas as a complete family.

As early as December 14 our Ladies Ministry and Mens Ministry held a separate Christmas party The Ladies stayed in the Church hall for their program and the men went outdoor. Both of the program were full of fun, food and sweet fellowship. December 21 was the Christmas party and gift giving for our children's ministry.

Both the children in the church which mainly composed of the children of our members and the children in our outreaches join together to have good time. The party was really full of fun, games, spaghetti and chicken and of course a great Bible story about the reason of Christ Birth. The attendance was over 120 and every one received a small gift.

I want to greet every one of you a belated merry Christmas. We will not get tired of thanking you for all your support in our ministries ... IT REALLY MEANS A LOT. We love you very dearly and rest assure that you are always in our prayer.
