

The Telmans

Missionaries to Uganda

October, 2026

“Then they that gladly received His Word were baptized…” (Acts 2:41)

What a month it has been! In our last newsletter, we mentioned some primary students who gave their lives to Christ and were preparing to be baptized. God was not finished yet! Three secondary students also turned to Jesus Christ following a chapel service, and two more primary students got saved following a church service. Thirteen people in all were baptized last Sunday. We continue to praise the Lord for His faithfulness!

Most of our S4 students are rejoicing because they have completed their exams. We have five students who have one more test to complete this week. The P7 students will also be taking their Primary Leaving Exams this week. Friday was the parent visitation day for the primary school, and we had a special time of prayer for the students. Please continue to pray for them as they take their exams this week.

Please also continue to pray for the renewal of our NGO which must be completed before we can obtain the appropriate visas for living and working here. It all is already expensive, but the cost of John’s visa will rise drastically when he turns 18 on December 11. It seems impossible to get everything done by then, but we know that nothing is impossible with God. Please pray that He provides all that is needed to complete it all.

Please check out our *Graceproject_UG* Instagram and Facebook pages. We update with videos and pictures regularly.
