

Lift up your eyes,  
and look on the fields;  
for they are white  
already to harvest.

ALL TO THE GLORY OF GOD 1 COR 10:31

**For the preaching of the cross is to them that perish foolishness;  
but unto us which are saved it is the power of God.**  
1 Corinthians 1:18

Dear Friends, Prayer Warriors, Loved Ones, and Supporting Churches:

On March 15, we held the groundbreaking ceremony. Many of the contractors attended. They heard a short Gospel presentation by Bro. Johnson. I gave a prayer for wisdom, blessing, and safety. We have been putting in long hours since then. We and the architect are acting as the general contractor coordinating the individual contractors and ordering supplies. God has blessed the progress in special ways.

Groundbreaking

The lumber yard man, Mr. F is helping us do the coordination. He continually comments that our prayers have helped with the construction—especially with the weather. It was sunny when the foundation was poured and the frame went up. On the days it was ok to have inclement weather, there was rain and strong winds. It is amazing to see how God is working and the contractors have taken notice of that fact.

Dried-In

The month of April held several tremendous blessings, starting the month with Resurrection Sunday. We had 14 children with first time visitors. The children listened attentively to the resurrection story, with most of the parents listening also.

On April 19th, we celebrated the Lord's Supper with our church members after adult Sunday school. It was a precious sweet time. Two unsaved people stayed to observe. The Lord's Supper has deep meaning and history behind it. Many Japanese do not understand the representation of the death and resurrection meaning of it. We used the Sunday School time to teach it. **Pray that the two who stayed, Mr. O, and Mrs. K will accept Jesus as their Savior soon.**

The Cross on the Steeple

Mr. Yamashita is back in the hospital. Pray that his stay will be short and he can return to the training soon.
