

# TRI STAR BAPTIST CHURCH

Dear Faithful Supporters and Followers,

April was an exciting and eventful month for us! Let me start by saying, God is faithful! We always hear, “where God guides, He provides.” It’s one thing to say this, it’s another thing to live this! Without faith, it is impossible to please God (Heb. 11:6). Our move to Nashville is truly a step of faith! A few months ago, I received some council from a Pastor who also is a church planter. He told me of his experience as a church planter and Gods faithfulness through it all. One thing he told me was this, “never undo in doubt a decision made in faith.” By faith overriding every imaginable doubt, we have moved to Nashville.

## Updates

Our visit to Cornerstone Baptist church and Pastor Mike Kerley was a true blessing! Pastor Kerley is a seasoned Pastor and church planter doing a remarkable work for the Lord in Crossville, TN. We appreciate their support in our call to Nashville!

Additionally, I was privileged to meet with Gospel Light Baptist Church in Spring Hill, TN. I was asked to preach in our Middle Tennessee Preachers fellowship and we were invited to present our ministry there the very next Sunday! Pastor Bill Adams is the real deal and an example for me!

## Prayer Requests

- Pray for Stephen and Kevin who recently trusted Christ.
- Pray as we settle in to the Nashville area and prepare for upcoming meetings.
- Pray as we prepare for BIMi candidate school in June!
- Pray that our great God will providentially make a way for our transportation needs.
- Pray that we will find a preliminary location to meet another family for prayer and Bible study.

Thank you,
