

18 YEARS! On the anniversary of our 18th anniversary here in Thailand, God gave us a beautiful gift. I was able to preach to a technical college of over 3000 students today! The assistant director is one of our church members in Sam Khok. She told us that the school has never allowed anyone to come and preach or do any activity and we were the first ones because of her connection to us and her position to the school. She has promised to help us get into many of the other big colleges. What a great gift from God on our 18th anniversary!

I just want to say that all that has been done here in 18 years is because the Grace of God! The thank you's could go on for hours and that proves that missionaries who stay on the field stay because God puts many people in their paths. I am thankful most of all to God! Thank you to my family who have been with me through thick and thin. Thank you to the supporting churches who have prayed for us and financially sacrificed. Please pray for doors to continue to open in the Kingdom of Thailand!

If you get this email, we know you are praying for us and supporting this cause.
