"The Lord is my strength and my shield; my heart trusted in him, and I am helped." Psalm 28:7a

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

May brings us into the 3 week holiday between Term 1 and Term 2 of our school year. Term 1 was successful. During the holiday we take the opportunity to partake in the Lord's Supper. What a sweet time of fellowship as a church. Holiday also gives us the opportunity to learn. Each Holiday our friends at Masaka IBC host a Tri-Annual Bible Institute. This gives us the opportunity to learn more of the Bible and for our Bible College students to move closer to finishing their Certificate.

During our school holiday, we have opportunities to minister to a small number of students who study during the holiday. This allows the High Schoolers the chance to watch films like "War Room". Which is a change from the futball that they normally watch on weekends. 😊 Sunday School is such a wonderful part of our church. Michelle enjoys teaching and helping the next generation learn about Jesus. She is excited about some of the High School girls who have volunteered to help while she is in Brazil greeting our next grandchild. We have

(2) of the girls whol helped in Sunday School over the years that are now in "A" Level and we are sponsoring them as a ministry. If you like to help with Brendah and Lamulah's school fees it cost \$400 per year per student. We are also helping Edward and Ronald who served in the church translating, preaching and announcing while they were in our school.

Someone asked recently how much a car is here. We are looking at a used van (1996) that could serve as our school shuttle. This van is for sale at 10,000,000 shillings, which is about \$2,700.00 plus we would need about \$300.00 for repairs that are needed. We are praying that God would provide for this need as well as some additional desktop computers for our computer lab. We currently have 8 laptops with over 50 students enrolled in the ICT Program. (10) desktop computers would cost \$1500.00 and would help tremendously!

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privelege to serve Christ alongside our partners.
