Answering God's call to Uganda,
East Africa

July 2024

"God is faithful, by whom ye were called unto the fellowship of His Son Jesus Christ our Lord." I Cor 1:9

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

Life is returning to normal. Michelle has returned to Uganda and the boys and I survived 😊 Life is always busy here between teaching and serving in the ministry. We are so thankful for God's Provision so that Michelle could be there for the birth of Jordan. We try not to dwell on all the family life we miss out on, but its times like this that we are ecstatic at the chances God gives us.

In June the Uganda Board of Education held a meeting to inform us that all Nursery schools that had been registered under the Primary school, now had to be registered and licensed independantly. We had much work to do. They gave all schools 2 weeks to prepare for inspection. In this process they closed many schools that did not pass inspection. We praise God for providing the funds needed to make the necessary repairs as well as the files and the government fees that were needed to be licensed. In July we passed our inspection and were verbally approved for a 2 year license. The next step will be registering the school after the 2 year license expires.

God has provided for the connection of our staff housing to "Umeme". This is the electric company in Uganda. We have been waiting over 12 years for electricity to come. But it is quite costly to prepare for inspections and to pay for the connections. Our Primary school is already connected. A dear family has given to make this connection as well as to make a connection for our church and Secondary school.

One of our Jaaja's (widows) was falling apart. She started sleeping in She has been saving for years to be We posted about this situation and We estimated \$1200 to build a very

Jaaja Theresa

renting a house. The house started her little makeshift kithcen shelter. able to buy a small piece of land. God's People stepped up and gave. simple 2 room house with a dirt are now cementing the floor as well

Her Kitchen

floor. God used His people to give over \$2000! So, we as adding a veranda and plastering all of the walls inside and out. We planned for the least amount so she could have shelter, but God had a better plan for her to have the nicest house in her in village.

We rejoice with the angels: (5) of our students trusted Christ as their personal Lord and Savior this month!

Your prayers are being answered! **\$15,000** came in this month for the purchase of the acre of land with the 2 buildings that is adjoining our property. God has provided **\$69,000** of the **\$75,000** that is needed to complete the purchase. Let's ask God to provide the **\$6,000** needed to finish this.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privelege to serve Christ alongside our partners.
