

FIRST BAPTIST CHURCH OF
NAWONG
คริสตจักรเพิร์สแบพติสต์นาวง

In 2 weeks, we will celebrate 16 years here in Thailand thanks to God! We have had our struggles but we have also had some major victories. I can say with 100% confidence God has allowed our family and our church planters and staff to preach to over 1 million people in the last 16 years. Obviously we do not know how many of them got saved for sure, but we know that each one of these has heard a clear presentation of the Gospel. Much of this is to your account and we thank God for your investment in the 10/40 Window Kingdom of Thailand.

What is crazier than this is that we could preach to a million souls each year if we had the resources. We have opportunities to go into thousands of schools and we are currently doing that with the help of a few supporters. We could definitely do more. If you would like to help us with a school, you can donate \$100 and that would get us into a school of at least 400 students that we would send you an update about and a Bible with the name of some of the students from that school. Please let me know if you are interested in helping with that. We go to schools every week out of the year now and each school cost money as we pay gas to go, and each student gets a small gift.

God has used Soul-Winning to increase our church attendance. Every week we have more and more people come without promotion. All Glory to God for what HE is doing here in Thailand! Here are a few pictures of last week's services where God gave us over 200 in attendance with 5 saved and 5 baptized in the churches.

If you would ever like to visit, please let me know!

Thank you for your continued investment.
