November 24' Prayer Letter

Dear Faithful Supporters and Followers,

I will be sending out quarterly prayer letters starting next year as we move forward with our deputation ministry. We are planning a large transition into full time deputation at the end of the school year. At that time, we expect to have enough support for me to pull away from my job. In addition to that, our lease on our home will expire, freeing us from that financial obligation. By May, we will be on the road full time. Full time deputation will allow for us to visit more churches presenting what God has called us to do and get to our field sooner.

Thank you for your patience. Our Lord is working, this I know! Just yesterday I went out soul winning with one of our men in a place called "The Nations" in West Nashville. We were welcomed by many people with opportunities to share the gospel. This booming neighborhood has 40,000 people living in it and its name is appropriate for the kind of people living there: from upper class to lower class, and a mix of people from all nations. West Nashville has well over 100,000 people dwelling in its neighborhoods and there are no Independent Baptist Churches that we can find. We know the impossible nature of this endeavor, but with God, all things are possible.

This past month we were privileged to present our calling to the Union City Baptist Temple in Union City Tennessee and heard word back that they are taking us on for support. Additionally, we presented to the Peoples Baptist Church in Greenville, NC who also will be taking us on for support. Lastly, we were pleased to display our burden at one of our supporting churches at the Southwide Baptist Fellowship Conference and we were gladly afforded the opportunity to present and give a testimony at Temple Baptist in Knoxville, TN.

Please continue to be in prayer as we continue to advance with God by faith. A few prayer requests.

- An RV or Travel Trailer large enough to accommodate our family.
- For more doors of opportunity to present our work.
- Growth for an online Wednesday night Nashville Bible study that has been a blessing to a few folks.
- For a particular church building in a prime location. Pray if the Lord wants us to obtain that building for our future church plant that the Lord would set it apart for us.
