THE JOHN'S FAMILY

My daughter's wedding

Fawaz from the Children's Home

Dear Pastor and Saints,

Greetings in the precious Name of our Lord and Saviour Jesus Christ! I hope all is going well with you wonderful saints in the Lord. It's a joy and honour to write to you wonderful people again to share with you what the Lord is doing for us in this part of the vineyard.

For the year thus far we've had over 50 baptisms. This may be unbelievable to some but we've already had over 1000 visitors at our church for the year and we've seen over 150 people make a profession of the faith. Just of recent we had Crusade at Blackwater Baptist Church and saw over 17 accept Jesus as their Saviour.

There was a young man who was invited to church by his wife. He and his entire family are Jehovah Witnesses. He came to church and heard the Gospel and went home without receiving Christ. He is a rig worker usually stationed offshore. There was an earthquake recently in the vicinity of where he works and he young man got a heart attack and was medevacked to a hospital.

When he was back in church he shared with me that he wanted to get saved a while back but hardened his heart and he know something terrible would happen to him. He begged God to give him a second chance and received Christ as his Saviour. Ever since, he and his family have been faithful in church. What a blessing to see the Spirit of God move!

For several weeks we have seen people give their lives to Jesus. People who were never invited but came on their own. God is really working in our ministry. We would be so happy if some of our supporting churches can come and witness for themselves what God is doing here in this country.

We have a missionary couple, the Swaggerty's, who will be working with the Children's Home from next year, God willing. Please pray for them as they are building a place where they can stay and be close to the Home.

We are so grateful to the people who have been supporting our Children's Home over the years. Thus far, 6 kids have been saved and 5 baptized. We have seen a lot of growth in these children's lives.

I am happy to share that we celebrated the wedding of my second daughter, Lydia, in July. God has been so good to our family. Leah and Lizzie have also been recovering rapidly.

Continue to pray for our country as Guyana is very open to the Gospel and we are hoping to train more men and start more churches and outreaches.

We are so thankful to H.E.L.P Ministry and the churches who have been a big help to us here in Guyana. Continue to keep us in prayers.

In service for Christ,

With love and prayers,

Pastor Geral John
