East Africa

February 2026

*"Remove not the old landmark;" Proverbs 23:10a*

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

February, 2010 is a Landmark to our family. It is this month 16 years ago that we went on our first mission trip to Uganda. Oh that trip changed our lives forever. God used that trip to set us down a path of lifelong service to Him, as only He could do. Our lives have been so enriched by this landmark. On the left is our first prayer card from early 2010. On the right is our family photo from Easter 2025. God as truly blessed our family! Thank you for partnering with us over these many years.

God provided for a "School Shuttle" in 2023 through some of our partners. We had to rebuild the car in 2024, again through your help. As we enter our 4<sup>th</sup> year of using this shuttle to bring kids to school, it needs an upgrade. We currently have 94 students who ride the shuttle everyday to and from school. We are praying for a van to safely drive these students everyday. A brand new Van would cost \$25,000. We are praying for God to provide \$15,000 for a new van for our family and our current van could be used as the school shuttle. It is a diesel and

in very good condition. This would save a lot of money and be a blessing to the commuting students. Would you pray for God to provide this in His perfect timing?

We are traveling again! We were in 4 more churches in February and 2 more for March. We are at 93% and are praying for God to bring us to fully supported when we fly out on March 24. Please pray with us for this miracle as well as safe travels back to Uganda to begin our 15<sup>th</sup> year there.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
