An Update From The Kidd Family

Dear Friends and Co-Laborers in Christ,

In a world that is continually changing and waxing more and more wicked, I am thankful that we serve a Savior who does not change. He is faithful and consistent every day. There have been several trials these past few months, but no matter what happens or changes, our God is the same yesterday, today and forever. Several people have randomly sent messages or called and that is more encouraging than you can know. We so appreciate God's people.

This past month, several from the church here in Praia and some from the church in Pedra Badejo went on a 9 day mission trip to the neighboring island of Fogo to work with a Cape Verdean pastor who God is using to plant a church there. This was a great time of fellowship and communion among the believers of the churches. But, more importantly, it was a great time of harvest! I do not have an exact number, but there were several who accepted Christ as Savior. Yes, we handed out many John/Romans, but we also went door to door, person to person and shared the Gospel of Jesus Christ. One lady commented how no other church had come to her house before. Her entire house consisted of a bed, a small table with a couple chairs, and a cook stove. It was about 7'x14' in size. She said they pass by her house and go to the nicer looking houses. We simply replied that God does not look at the size of our house, He looks at our heart. And that day God cleansed her heart and she was born again. Throughout the week there, seeds were scattered aplenty. We pray that some of those seeds would have fallen on fertile soil and that fruit would abound.

There have been a few new post offices opened recently here in Praia. As a result, our address has changed slightly. Our updated address is:
