September 24' Prayer Letter

Dear Faithful Supporters and Followers,

What an exciting back to school month! I have a few people asking me where our current level of support is. We are expecting 25% in the next few months, Lord willing! We praise the Lord for all progress. Please continue to pray as our schedule is very busy for September and October.

During the month of August we had the opportunity of presenting our work to various churches around our area, including; Temple Baptist Church (Murfreesboro, TN), Hillview Baptist (Dixon, TN), Cornerstone Baptist (Shelbyville, TN). I also had the wonderful privilege of preaching at 3 other Baptist Churches. In addition to these preaching engagements, our small group met on Wednesday nights for prayer and Bible study. At this study, we have a visitor who has now come for the second time!

According to *The Tennessean*, the Nashville and Middle Tennessee region has driven population growth in the state with nearly half the people who move here from out of state settling in the middle Tennessee area. The suburbs are experiencing more growth than Nashville due to city congestion, rising living costs, and limited housing availability in Nashville. Tennessee is listed as the 7th fastest growing state nationwide with the city of Nashville housing 700,000 souls with a staggering 2 million in the metro complex around Nashville. These fields are truly white unto harvest, and we are glad to be used of God to advance His kingdom here in Nashville!

Praises:

- Another incredible love offering received! The Lord is building our startup fund!
- God is faithful; when you think you're just not going to make it, *Jehovah-Jireh* steps in!

Prayer Requests:

- Pray for these next few months as we do a lot of traveling.
- Pray for Pastor Jim Lumpkin as he battles health issues & in the hospital.
- Pray for a bit of a larger expense; our primary car needs new front tires soon.
