Dear Pastor and Saints,

Greetings in the precious Name of our Lord and Saviour Jesus Christ! I hope all is going well with you wonderful saints in the Lord. It's a joy and honour to write to you wonderful people again.

Let me start by saying God is so good to me and my family. My daughter Lizzie has been seizure free for over one year now! We have her final mandatory appointment in May. Please pray that the Lord will continue to provide and meet the financial needs for her travel and medical.

We had 16 baptisms for the year so far and the Lord has added about thirty new people at our churches and outreaches. In our services for the year we have seen approximately twenty five make profession of faith. We praise God He is still in the saving business!

In February, we had a team of young people led by Pastor Aaron Pledger from Calvary Baptist Church, Jacksonville, Fl. We hosted 3 nights of youth meeting and over 85 made profession of faith! We had the opportunity to go into 3 schools and share the Gospel. One of the schools had about 750 in attendance who heard the Gospel loud and clear and many accepted the Lord as well.

We are presently

building a new building in Blackwater, Tuschen. Recently, we were able to install the windows and doors. We are grateful for all those who helped towards this project. Pray that the Lord provides the funding for the **ceilings, tiles and the electrical work so that we can have a grand opening soon in August.** We are planning to have a week of meetings leading up to the opening. There are no independent Baptist church in this area so it is a great opportunity to reach the people.

Please pray also for our upcoming annual Revival meetings in July with Pastor Broyhill and team from Calvary, NC.

Finally, we bring you some more great news! **The Children's home has been approved for opening** by the Government and Childcare authorities. We are praying that the Lord will provide the required 6 months operational funds for the start up which we are scheduling for June however we will have a small opening and

dedication in September. **The need for the monthly operational fund for staff and utilities etc is currently USD \$2200 to \$2500 per month.** Our current capacity is 20 to 24 children. We are so excited to be able to reach and care for these children in our own communities and raise them in the fear of God.

We are forever grateful for your partnership with us in reaching lost souls and for your faithful financial support.

God bless you all!

In service for Christ,
With love and prayers,
Pastor Geral John
