July 2025

Dear Praying Family and Friends,

Our CBF International Cookout and Giveaway on August 16 is a month away! Several items from our Amazon and Walmart gift registries have been purchased for the giveaway, and there is still opportunity for additional purchases to be made in time for our event.

This year, the Walmart website has become more challenging to navigate regarding gift registries. To help alleviate some of the difficulties, below are direct links to our Amazon and Walmart registries. Clicking on the links should take you directly to our respective giveaway registries. You can also still use the QR codes we sent in our email last month. By purchasing through either of these registries, the items will be shipped directly to us.

The link to the **Amazon registry** is:

The link to the **Walmart registry** is:

If you have any issues with accessing either registry, please let us know.

The university is also planning two new student engagement events for the fall semester. Please pray that the Lord will give us wisdom and an open door to participate in these events in order to help better inform the student body about our Campus Bible Fellowship student org.

#### Prayer requests:

- Continued preparations for our CBF International Cookout and Giveaway on August 16
- Informing and inviting students to the cookout/giveaway
- Favorable weather for our outreach event on August 16
- Students to be receptive to a clear Gospel presentation
- Participation in two university student engagement events this fall
