

Lift up your eyes,
and look on the fields:
for they are white
already to harvest.

ALL TO THE GLORY OF GOD 1 COR 10:31

I will bless the LORD at all times: his praise shall continually be in my mouth.

Psalm 34:1

Dear Friends, Prayer Warriors, Loved Ones, and Supporting Churches:

This has been an exceptionally difficult winter. Not only to us but to our church members. The extraordinary snowfall limited many people's attendance. Praise God, we didn't have to cancel Sunday services. Even in difficult times, we must give God the praise.

Generally, in Aomori, it will snow for a few days with a break of a day or two. This pattern allowed time for snow removal and for some to melt. However, starting January 14, it snowed every day for 21 days with nearly six meters falling. Some days it was as little as two inches and other days as much as two feet, averaging ten inches a day. The daily snowfall overwhelmed everyone including the city. At one point, there was over six feet of snow on the ground, the most in forty-five years.

We held our annual children's snow camp on February 7, under blue skies. Disappointingly, several cancelled due to bad roads. But, even with the cancellations, 12 children attended, many with their parents. After warming up with hot chocolate, Bro. Wakimasu gave a simple, concise salvation message. **Please pray for their salvation and that the parents and children will attend church.**

March 15, the LORD willing, after church we will hold a groundbreaking ceremony. The next day, they will start the pilings and the foundation layout. As we move forward, there are still many decisions that need to be made. Pray with us that the funding we have will be adequate for the construction. **Please pray for God's wisdom and guidance.**

Mr. Yamashita has been able to come back to church, praise God. He is still at the training facility learning to live on his own. Prayerfully his church attendance will continue.

In your service for HIS Service
