"Faithful is he that calleth you who also will do it. Brethren, pray for us." 1 Thessalonians 5:24-25

January/February 2026

Dear Praying Family and Friends,

It really felt like we blinked, and 2025 was gone. Time certainly seems to be accelerating as we eagerly await our Lord's imminent return.

We finished the year with our Thanksgiving dinner and Christmas celebration. The university changed some of their policies regarding student organizations, and we were not permitted to notify the student body about our events as in past years. But the Lord is faithful and allowed us to have a sweet time of celebration and fellowship with those students who were able to attend.

The students the Lord has brought to us have shown a wonderful desire to grow in their obedience and faithfulness to our Savior. It has been a great blessing to see how the Lord is working in their lives. Satan never rests, and our students, as we all are, continually battle against the world and the flesh. As we enter the new year, please keep our students in prayer for their spiritual steadfastness and victory. Specifically, please pray for the continued faithfulness of our core students: Dev, Nathan, Keilen, Blessing, Daniel, Caleb, Ethan, Hannah, Rebekah, Joy, Happiness, Eliza, Emmi, Tyler, Marvin, Bolaji, Prisca, Ferney, Chase, and Olivia.

Dev, one of our students graduated in December with a Master of Science in Data Science. He is seeking the Lord's will in employment opportunities, and would greatly appreciate prayers for the Lord's clear direction, leading and provision.

In early January, we will be traveling to present the CBF ministry in two new churches. Please ask the Lord for traveling mercies on our behalf, and that we would faithfully share the value of Christian student ministries on the spiritual battle ground of our U.S. university campuses. We continue to ask the Lord to increase our monthly support by an additional \$340/month, and are ever thankful that He will continually supply our every need.

For five years, John has been discipling "Z" in China via Zoom. He has shown such spiritual wisdom and insight for such a new believer. Z's wife has been battling cancer for several years, and last month her battle ended. As far as we know, she had not made a personal profession of accepting Christ as her Savior. Please keep Z in your prayers for the comfort and peace that only our Lord can provide.

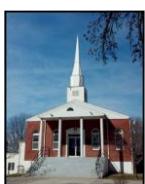

May 2026 find us all eagerly anticipating our Savior's return as we faithfully serve Him.

#### Prayer requests:

- Spiritual faithfulness and growth of our CBF students
- Comfort, peace and spiritual strength for "Z"
- Traveling safety as we visit churches
- Monthly support of an additional \$340/month
