I must say it, we are living in a dangerous time in human history and our highest goal here is to reach out into the world and preach the gospel to all creatures. My family were convinced and strongly committed to reaching out the truth of the gospel and the love of Jesus Christ to those who not hear yet.

Souls winning to Hindu. Gospel track and Bible distributing. Lunch after the programme.

“Workman who need not be ashamed” in order to help usher in the end-time harvest of souls.

We want to be one of the best soul’s winner churches in India.
