

Beloved brothers, my desire is that you prosper in everything, just as your souls prosper. I'm thankful every day with God for you, for the support you have provided to do the work of the Lord Jesus Christ, for his prayers for the church La Roca, for this servant and my family. We are very happy for the support of God in the work with the children because more are added every day.

We continue with the work commissioned by our Lord and Savior Jesus Christ, knowing that what we do is not in vain. For our good God, preaching the gospel, winning souls for Christ, building up the ladies, helping souls captives.

Brothers, I ask for your prayers, especially for the purchase of the place for the temple, we continue with this project placing it in the hands of our Eternal Father, taking steps of faith in Him since this place has a cost of \$100,000 USD one hundred thousand dollars, for the glory and honor of God we have found grace to negotiate the rent with the option to buy, in this way, payments will be made with the value of the lease.

The land is 7mt x 21mt, with foundations to build 5 floors, it has built a first floor, a terrace, a roof, it is very well located on a main street, vehicular, with very good space to set up the Sunday school for children, the first floor for the church, the second for Sunday school, Now this is our need as a church, I greatly appreciate the support of all of you in this challenge, and for all your support for La Roca Church.

Blessings

Sincerely,

Pr. Arnulfo Cuero Sinisterra
