

Lift up your eyes,
and look on the fields;
for they are white
already to harvest.

FOLLOW THE LORD MATTHEW 4:19

I have planted, Apollos watered; but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. Now he that planteth and he that watereth are one.

I Corinthians 3:6-8a

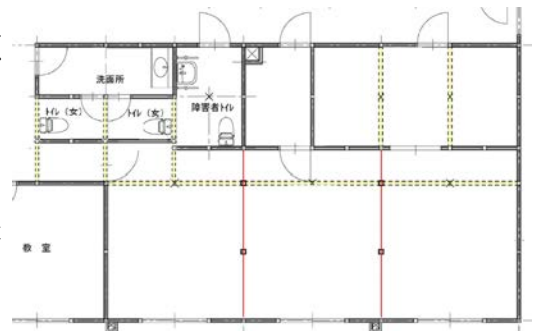

Dear Friends, Prayer Warriors, Loved Ones, and Supporting Churches:

The above verse is very appropriate for Team Aomori. **While on a short furlough for our son's ordination, Bro Johnson and his wife led Mr. and Mrs. "T" through the sinners prayer.** It was truly a blessing to hear. Since then, Mr. "T" and Steve has talked considerably of Bible and Christian things. He expressed the desire to have an English Bible in order to understand the Japanese version. Consequently, Steve gave him a new KJV Bible that was gifted to me years ago that was still its box. **Please pray for him and his wife's spiritual growth.**

Stephen's Ordination

The Lord willing, we will hold a BBQ outreach May 26. Pastor Ogawa from Senri New Town Baptist Church will be our guest speaker. Pastor Ogawa is one of the first converts of Don Sisk, a BIMI missionary. Please pray for new and return visitors and the salvation of those lost.

Conversion Plan

We have started completely reforming the downstairs of the apartments. It is necessary to install several strengthening beams, three of the eight beams are 4" X 12" X 12's (the horizontal yellow lines). The five vertical yellow lines are 4" X 10.5" X 10's. We are also required to strengthen the post on each end of the beams. The thin vertical red lines represent the walls removed between the rooms. The LORD willing, we hope to have the conversion done by August. Also, our architect has been very helpful in designing and submitting the proper paperwork for permits.

That being said, we certainly can use help completing the project. We can use individuals or teams and we will provide room and board. If you are interested please contact me at cantersjapan@gmail.com with a subject line "Auditorium Help" so I won't accidentally delete it.
