*“Bless the LORD, O my soul: and all that is within me, bless His holy name.”* (Ps 103:1)

We are praising God for all He is doing in Mbira! We have seen Him provide for testing centers for both schools. He has provided to build the church building far enough that we can use it to worship Him. We know that God has used many individuals and churches to give sacrificially so this could be used in 2023. Thank you for your obedience in giving to the Lord!

Our School goes up to S-4 which is the equivalent of grade 10. At this point students need to choose between A Level (11<sup>th</sup> & 12<sup>th</sup> grade) or to go to a vocational school to get a diploma. We have been developing our “Continuing Education Program” for some time. As a ministry we are praying that we can come alongside our Learners as they reach for their dreams. We have 8 students who have applied for either A Level or a medical course like Lab Tech or Midwife. We are praying for God to provide for this program as only He can. It costs \$800 per year per student to continue their education. Would you consider being a part of this program?

Mbira Grace Christian Secondary School poured currently has 135 students enrolled for 2023. We are expecting this number to grow to 150 over the next few weeks. We are praying for this part of the ministry to become self sustaining. God blessed our S4 Candidates with all 21 passing very well and moving on to the next level. We are also praying for God to wrk in the lives of the students in a powerful way. Please pray with us for many to come to Christ.

Grace Christian Primary School is growing! We currently have 390 students. God helped our 20 PLE candidates and all passed well and are able to move on to Secondary School. Michelle and I have new opportunities daily to share the Gospel with the school Bible classes. We are expecting much fruit this year. Please pray for many to come to saving knowledge of Jesus Christ.

God gave us Two Months of Joy! We had a great time together and made many memories. Of course we had to put them to work while they were here ☺ During the Holiday we were able to give the school a new coat of paint and fix up some of the things that needed repair. We are praying for Tim & Amanda as they prepare to be missionaries in Africa. We truly are blessed by God!

We thank God for each of you! We are truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privelege to serve Christ alongside our partners. Please check out our Graceproject\_UG Instagram and facebook pages. We update with videos and pictures regularly
