"O give thanks unto the LORD, for he is good: for his mercy endureth forever." Psalm 107:1

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

2025 has been a busy year! We were able to present in 40 churches in 28 weeks from May – Nov We put on about 36,000 miles. God has provided in many ways. Last month we shared some needs for our ministry. We were praying for \$4,000 for a teachers latrine and about \$3,500 for lightning rods and rainwater collection systems. We also mentioned \$8,000 for a new church building in Kalisizo. We are so thankful for how God uses our church partners to provide. The need for the teachers latrine has been met and construction is under way.

The needs for the lighting rods and rainwater collection has been met as well. The lightning rods have been installed and the rainwater collection will be installed in January. An individual also sent in \$1,000 toward the new church building. God is so good to us and we are so thankful!

Our last church for 2025 was in the Baton Rouge Louisiana area. We were blessed to be able to go see a college football game at one of the biggest stadiums in college ball. We enjoyed the LSU game against the W Kentucky Hilltoppers. It is such a blessing to be able to do fun things while in the US. We love being able to take our kids to fun events.

The 2025 school year for Grace Christian School has come to an end. We had a very successful year. The students did well academically as well as in the sports programs. Our Head Teachers held end of year meetings with staff to sign new contracts for next year.

We were blessed with a wonderful Thanksgiving. We were able to spend time with most of our kids. We enjoyed our once every 4 year tradition of getting a live Christmas tree. One of our favorite parts of furlough is to spend time with family and be a part of our home church. We are blessed to be home for the month of December to do both.

We thank God for each of you! We truly appreciate your prayers and your partnership with us in this ministry that God has called us into. It is a privilege to serve Christ alongside our partners.
