"Come unto me, all ye that labour and are heavy laden, and I will give you rest." Matthew 11:28

Thank you for your faithful prayers for our family and our ministry. God continues to show His amazing care for us.

New Car!!

August brings the end of term 2 in our school giving a holiday for students and teachers and even directors 😊 We have been blessed by the tremendous support of our supporting churches and individuals. There are needs we have been praying for that God used you to supply. We prayed for a school shuttle and new computers for our High School. The HiAce van we have driven since 2018 is ideal for a school shuttle because it is diesel and has strong suspension. These type of vehicles cost \$10,000 so we found a family van for \$5,000 and made our HiAce into the school shuttle. God is so good to us! We appreciate all who got involved in purchasing new laptops for our Lab!

Lord's Supper

School holiday gives us the opportunity as a church to take part in the Lord's Supper. What a sweet time of fellowship as a church family. Our Street Preaching ministry is moving forward very well. We have had 3 people saved in the last 2 weeks. Praise God for allowing us to lead lost souls to Christ. Jim recently had the privilege of conducting the burial service for Kakeeto, a member of Mbira Baptist church since 2014. It was a precious opportunity to minister to the family and preach the Gospel. His grandmother came to church yesterday to share her appreciation to our church for showing love to Kakeeto for all these years.

It is great to have Michelle and the boys back in Uganda! We enjoyed finishing the 2nd term. John has been continuing his driving practice here in Uganda. Last week, Michelle completed her Bachelor's degree and Master's degree from Maranatha Baptist University. To celebrate this major accomplishment, we are taking a few days this holiday to spend time in Kampala to get some rest. While also working on the renewal of our NGO.
