**Dear Praying Friends and Churches,**

Thank you for lifting us up through your prayers and also financially. I just want to share the report of our ministry with you. The Lord has been so good to us. The strength we received, and the healing from our sickness.

**Family.**

We celebrated our 8th wedding anniversary last month February 14th, and we are so grateful to the Lord for His faithfulness to us. Five years ago when I was in the US, we were only three, but now, we are now five in the family.

**Church Ministry.**

Our church celebrated the 4th anniversary of God's faithfulness and graciousness to us. Four years have been filled with so many blessings from God. We recorded 5 thousands saved through one on one soul winning, school ministry, and open air evangelism. We have three students in the seminary preparing for the ministry. We have started another church, preaching on the radio every week. God is so good.

**Radio Ministry**

We thank our radio ministry and God has used this ministry to reach out to thousands of people in our state and four other neighboring states. Through the radio ministry, we have recorded over 100 people called to appreciate the clear presentation of the Gospel. And many told us that they are saved through the ministry. Our problem with bringing these people to church is the lack of transportation, our church is not in the city and that is why many have complained that that is the barrier for them not to come to church.

We have two people that we pay their ways to come to church every week.

### **New Church Plan(Fellowship Baptist Church Ijare)**

We planted a new church, and I am the one pastoring the two churches. We hold the first church service by 8am and the one by 10am. It has not been easy but we have already counted the cost for the work. We need good transportation to move around from these churches. Please pray for us. And we need a land for the new church which we have already know what it would cost us, but trusting the Lord for finances to acquire the land

### **Bibeli Yoruba Audio Project.**

And also we are reaching into villages to preach the Gospel to those in the remote villages. And I started working on audio Bibles for those who do not have to know how to read so that they can have access to the Word of God in their language.

We are using King James Bible in our language for the audio project. Please pray for us as we continue to reach more people with the Gospel of Christ. For more information about this project, you can visit [bibeliyoruba.com](http://bibeliyoruba.com). Thank you so much for praying and supporting us.
