The Mendes to Brazil

OCTOBER PRAYER LETTER

Dear Pastor and Brethren,

October began with a remarkable weekend for our new church! We celebrated our first anniversary with a three-day Bible conference. Each day we had a different speaker. Two were national pastors who are now leading the first and second churches that our church planting team established. The third speaker was my father-in-law, missionary Rom Ribeiro, who leads our church-planting team. Praise the Lord, the conference was a great success! We had over twenty first-time visitors and five professions of faith. Thank you for praying for this conference. Please pray that these people will grow in their faith.

Besides working to establish this church, we are also investing in the next generation of servants of God by working with the youth group of our mother church, which is 40 minutes away. Lord willing, we will take 45 teenagers and young adults on a nine-hour road trip to visit our church number five and participate in the 50th anniversary conference of the Bible Institute from which I graduated in Brazil. The institute was established by the late BIMI missionary Jimmy Rose. Please pray that our young people's hearts will be touched and that many of them will surrender their lives to serve the Lord during this missions trip.

Rosangela, who we visited last week, is a young mother in great need. Praise the Lord, she called upon the name of the Lord for salvation during our visit! We ask that you pray with us for this young mother and her daughter. Visiting people in their homes is a very important part of our ministry because it is through visitation that most people in our area of Brazil come to know the Lord. As you may know, we are in need of a reliable vehicle to better carry out our ministry in Brazil. We thank the Lord for the **$19,500** of the **$30,000** He has provided to meet this important need. Please pray that God will provide the remaining **$10,500**.

We are very grateful for your faithful prayers and support. God is doing an amazing work in Brazil through our ministry, and you are a part of this too!

In His service,
Bruno and Roxanne Mendes
